

## **APPENDIX A REFERENCE DOCUMENTS AND REGULATIONS**

### **A.1. GENERAL**

#### **A.1.1. Purpose**

The following documents are referenced within this Code, and are utilized for evaluation of development applications, building permit authorization, and other actions as provided for by this Code.

#### **A.1.2. Applicability**

Inclusion within this Appendix does not constitute adoption of the referenced documents and regulations, where not otherwise formally adopted by El Paso County, but acknowledges the ability to utilize the information contained in those documents in the evaluation of development applications, building permit authorization, and other actions as provided for in this Code. The most current version of the referenced document is presumed to be referenced, even if not explicitly identified. When new documents, regulations, or ordinances are adopted by El Paso County in accordance with either the procedures of this Code or procedures of the BoCC, reference in this Appendix is not required for them to be applicable.

#### **A.1.3. Availability of Referenced Documents**

A copy of each of these documents is available for review at the DSD or from the respective adopting authority, and may be available in electronic version. The list includes the source for each document so the reader may obtain a copy. The availability and cost of documents is determined by the source agency.

#### **A.1.4. Inclusiveness of List and Amendments**

The list is not all inclusive, and may be amended from time to time by the DSD Director without specific action by the BoCC to amend this Code.

#### **A.1.5. Submittal Requirements, Forms, and Application Processing**

Submittal requirements, forms, and application processing information for each process identified in this Code are available from the DSD and published within the Procedures Manual, and may be amended from time to time.
