

BEAR CREEK REGIONAL PARK

Bear Creek East

21st Street & West Rio Grande Avenue
Colorado Springs, CO 80906

Bear Creek Terrace

21st Street & Argus Road
Colorado Springs, CO 80906

Set in the foothills of Pikes Peak, Bear Creek Regional Park offers a pleasant escape within the city limits. This 573-acre regional park supports a variety of plants and wildlife including red-tailed hawks, black bears, Peregrine falcons, deer and coyotes. Wetlands, cottonwood riparian area, scrub oak thickets and native grassland give this park its varied character.

Ten miles of multipurpose, non-motorized trails wind through the park. Trails can be accessed from many locations in the park including the 21st Street trailhead parking lot, the picnic pavilions and the Bear Creek Nature Center.

Bear Creek Regional Park can be reached from Interstate 25, exit 141; west on Highway 24 (Cimarron) to 21st Street; south on 21st Street to West Rio Grande Avenue for Bear Creek Park East or to Argus for Bear Creek Terrace.
