

Creating a legacy for future generations...

For more than 30 years, Nature Center Staff and Naturalist Docent Volunteers have provided outstanding interpretive programs and services to El Paso County citizens and visitors to the Pikes Peak Region. Each year more than 250,000 interpretive contacts are recorded through Bear Creek and Fountain Creek Nature Centers.

Programs at Bear Creek and Fountain Creek Nature Centers include:

- Public Interpretive Programs
- Nature Camps
- Special Events
- Guided Group Programs and Tours
- Environmental Education Programs
- Interpretive Volunteer Programs
- Interpretive Exhibits
- Visitor Information Services
- Community Partnership Projects
- Community Outreach Activities

Membership Benefits

We invite you to play an important role in ensuring a strong future for Bear Creek

and Fountain Creek Nature Centers. Your membership will provide advocacy for stewardship, education, and outdoor recreation. Your membership will also fund educational programs, exhibits, and projects.

As a Nature Center member, you will receive annually the following basic benefits for each membership level:

- **Naturalist Notes newsletter**
- **Nature Center Annual Report**
- **Programs and Events brochure**
- **Invitations to social events**

Visitors of all ages — including more than two million school-aged children — have regarded our nature centers as special places where they have learned about our natural, cultural, and outdoor recreation heritage. Please contribute to the Nature Center legacy and...**Join Today!**
