We are excited to participate with El Paso County in providing you an enhanced maternity wellness benefit for 2010. The Maternity Wellness Program provides a huge reduction in your out of pocket expense when you follow the Maternity Wellness Benefit requirements.

Benefits of the Maternity Wellness Program:

- \$500.00 In-Patient Co-Pay Waived
- \$2000.00 Individual Deductible waived for all maternity related doctors visits, delivery and lab and x-ray charges.
- You pay 25% co-insurance of the maternity fees.

It's easy! If an enrolled member wants to participate they must:

- Be actively covered under the CIGNA Medical Plan
- Be seen at the El Paso County Health Center for confirmation of the pregnancy
- Enroll in the CIGNA Healthy Babies Program within the first two trimesters of your pregnancy
- Notify CIGNA – Angela Early - within 31 days after you deliver your baby

Due to this unique benefit, CIGNA cannot automatically process claims at the enhanced benefit level for those that participate in the Maternity Wellness Program. However, if you receive a balance bill for the co-pay or deductible for maternity care, please contact Angela Early at 303-691-3110 or email angela.early@cigna.com and she will have your claim reprocessed. When calling or emailing Angela please remember to include the information below.

Employee Name	CIGNA ID# (starts with a U)
Patient Name	Date of Delivery
Provider Name	Amount Balance Billed

Special Note: eligible newborns that stay inpatient longer than the mother will have to meet the \$500.00 in-patient Co-Pay, \$2000.00 deductible and 25% co-insurance.
